# Community Funding

Community Funding received through KSCS for the following:

## 1. **Child and Family Services (CFS) Prevention Funding**

KSCS budget increased from \$2.7M to \$19.9M annually.

## 2. **First Nations Representative Services**

KSCS received a budget of \$2.3M for improving our ability to represent ourselves.

## 3. **Other funding:**

a. CFS Protection - \$3.2M

b. CFS maintenance (placements) - \$2.8M

c. Assisted Living Services (elders and clients with special needs) - \$2.5M

d. **Consolidated Health Agreement Funding** - \$9.7M

e. **Other health funding** (mental health, Indian Residential School funding, Jordan's Principle) - \$1.8M

f. **Other funding** (rents, interest, donations, cost recoveries, etc) - \$1M

# Community Owned Property that KSCS Leases

**KSCS has leased the third floor of the Kahnawake Office Complex  
KSCS Operations Building that will house the internal operations, finance  
and senior management.**

# Community Owned Property for Exclusive use by KSCS

1. **KSCS Main Service Building** (Kahnawake Services Complex)

houses the intervention teams and some prevention services.

2. **White House** (next to MCK main building)

Houses prevention team.

3. **Family and Wellness Center** (along Mohawk Trail)

Houses parenting programs and traditional services.

4. **Independent Living Center/Assisted Living Center** (across from Derek White's gas station)

Houses Assisted Living Services and twelve bed residential facility.

5. **Turtle Bay Elder's Lodge (TBEL)** Houses twenty-two bed residential facility and KSCS Home and Community Care Services.

6. **Anowara'ne**

Six Room residential facility.

7. **Hilltop Facility** (across from Karonhianonha School)

KSCS recently purchased with the current plan to house a young adult service center.

8. **OCR Wahta Home** (across from the Eastern Door)

KSCS recently purchased with the current plan to house supervised visits for parents visiting with their children, and to house therapeutic groups.

# KSCS Program Housing Partnerships

1. Young Adult Temporary Housing (old Manoir Parent building in Chateauguay)

KSCS is working on a partnership agreement with the Office d'Habitation de Roussillon to lease eleven residential rooms to support youth transitioning to adults.

2. Adult temporary Housing (Old Rustic Hotel facility)

KSCS is working on a partnership agreement to secure ten residential units for use for community members without a home. Partnering with MCK Housing Unit, Centre Intégré de Santé et de Services Sociaux Montérégie ouest, and FROHME.

# KSCS New Services

## **1. Home Builders Family Preservation Program**

KSCS intends to develop intensive parenting support for families.

## **2. Post Majority Care Services**

KSCS intends on developing services for youth ages 18 yr to 26 yr who left care and need assistance.

## **3. Traditional Services**

KSCS intends on developing partnerships and programming to support community members from a traditional perspective.

## **4. Respite**

KSCS intends on improving respite care to families and care givers in need of support.

## **5. Mental Health and Addictions**

KSCS intends on continuously improving support services for community members with mental health challenges, including intensive outpatient support for dependence issues.

## **6. Residential services**

KSCS intends on exploring opportunities to expand the occupancy of residential care for elders and community members with special needs.

## **7. Public Health**

KSCS intends on improving our community's ability to respond to public health crises.

## **8. Kahnawake Child Welfare Law**

KSCS intends on working with the community to develop a new welfare law to replace the Quebec Youth Protection Act using the CDMP process.

## **9. Accreditation**

KSCS intends on becoming accredited to ensure our operations meet the minimum standards of quality programming recognized externally.

# Future Property needs Identified by KSCS

1. Land to accommodate temporary housing to allow KSCS to renovate the ILC/ALS facility.

2. Respite Home

KSCS is seeking to purchase land to build a facility, or a home to renovate, to support families in need of respite care.

3. Land for new Elders Lodge

KSCS is seeking to secure sufficient land to build a new Elders Lodge. The current facility has twenty-two rooms, and a wait list of over thirty-five.

4. Land to build a residential facility for youth transiting to adulthood.

5. Support for other community entities.

Several organizations identified the need for expansion i.e. KYC, Onake, and Language Nest.

KSCS is supporting assessment and duties to accomplish this.

# KSCS Capital Funding for Community Partnerships

1. KSCS will provide funding to KYC to purchase a bus.
2. KSCS will provide funding to Onake to purchase two vehicles.
3. KSCS will provide funding to assist MCK build a new roof for the outdoor rink and upgrades to the Kahnawake Sports Complex.

## 19. **Doula programming**

KSCS will provide funding to support Doula training.

## 20. **MCK**

KSCS will provide funding to support operations in Justice, Public Safety, and Indian Day School support.

## 21. **Other opportunities**

Community members, organizations and services can still request funding to support operations by using the Call for Proposal package we sent out. Proposals should be aligned with Child and Family Services in that they must support child, youth, family or community wellness in some way. Requests for a copy of the Call for Proposals can be obtained by contacting the Onkwata'karitáhtshera Secretariat at 450-632-6880.
