International Year of Indigenous Languages

Onkwehonwehneha

Tsi Niiohserò:ten

The United Nations Educational Scientific and Cultural Organization (UNESCO) has declared 2019 as the Year of Indigenous Languages (YIL). The three main themes of the year are **Support, Access and Promotion**.

Our community has done much when it comes to language revitalization and we have much to be proud of and to celebrate. As such, the Kahnawà:ke Language & Culture Network invites you to contribute to the calendar of events.
